

Become a partner

We are open to work with new companies that share our enthusiasm and our goals and help us implement and promote Pandora FMS. By becoming our partner, you can be sure that your customers will be using one of the most flexible and comprehensive monitoring tools in the market.

SPECIAL DISCOUNTS

Partners receive up to 40% off on our annual licenses.

LICENSE FOR TESTING AND INTERNAL USE

We will provide all our partners with a license for testing and internal use. Furthermore, you can request as many trial versions as you need for your clients.

WE BACK YOUR PROJECTS UP

Do you have any special project? Count on us if you need help to carry them out.

WE HELP TO PROMOTE YOUR PROJECTS

We love seeing the amazing things that people are doing with Pandora FMS. Send us your projects and we will promote them in our website.

WHAT DO WE OFFER?

CONTINUING TRAINING

We offer continuing commercial training programs (PAC) for your sales and marketing staff.

ACTIVE COLLABORATION

Your experience is crucial for us. That is why we guarantee direct contact with our development team so you can help us improve Pandora FMS.

WHAT DO WE REQUEST?

CERTIFIED KNOWLEDGE

All our partners must demonstrate proficiency skills on Pandora FMS. That is why we require that at least two members of your team take the PAT and PAE programs and obtain the certification.

PANDORA FMS IN YOUR PORTFOLIO

You are our best connection with your local clients, which is why we need your help to promote Pandora FMS in your area. This involves including Pandora FMS in your portfolio and offering it as a solution for your projects.
